

July – September 2023 review

Reaching out **64 people**

shared their experiences of health and social care services with us, **20** of which were of a negative nature, with **8** mixed, and **6** positive Others neutral /unclear).

What we heard

The 2 largest areas of concern were long waiting lists for treatment and / or investigations, and concerns about diagnosis and support for children and young people around Autism /ADHD or other neurodivergent conditions.

Making a difference to care

We published **3 reports**

[Enter and View - Cleeve Court, Bath | Healthwatch Bathnes](#)

[What matters to families in Bath and North East Somerset? | Healthwatch Bathnes](#)

[Cancer Support available on GP websites and support available | Healthwatch Bathnes](#)

Health and care that works for you

We re-started Enter and View visits with a visit to Cleeve Court in September, with the help of 2 of our trained volunteers. We also gathered together all the feedback we had received from families over the year to share with NHS and council decision makers.

We Signposting **18** people to sources of help and advice including

Do you feel inspired?

We are always on the lookout for new volunteers, so please get in touch today.
